If you're OK with driving Monday afternoon (2/2/15), I'm OK too.

Roberto:

The Site ID is A6JP.

This is what I would like to do. I would like to go to the first half of the OSC Meeting on Monday (2/2/15) and then leave to the Site or stay at the OSC Meeting and then drive to the site on 2/2/15. I will show you the site on 2/3/15 all day and then leave back to Dallas that evening and start my leave.

Are you ok with this?

Thanks
